Standard 2.0 Faculty

Provide information about individuals who are currently employed by the university and contribute to the graduate program for which you are seeking accreditation.

To add or remove faculty from this list click here.

If you have added or removed faculty from the list using the link above, you will need to click Data Refresh in the menu bar at the top of this page and select “Faculty Information” in order to display the updates here.

You will then be able to provide details about each newly added faculty member. You must provide details for all faculty members. A checkmark will appear next to the faculty member's name when the entry has been completed.

At the bottom of each faculty page, you will see two saving option. 1) Save and Close and 2) Close - Remember to Save Later. Save and Close will save that faculty page immediately, but the save function can be slow. If you are working on more than one record, then Close - Remember to Save Later will allow you make edits to multiple faculty records and then save them all at once. The system will time out if you have not saved in approximately 30 minutes, so be sure to save often.

If student enrollment has increased 50% or more since last year for any modality (residential, distance education, satellite/branch campuses), explain steps taken by the program to ensure:

- Sufficient faculty
- Sufficient financial and other resources
- Students meet student outcome measures (Praxis pass rates, program completion rates, employment rates)
  Students have access to client/patient base that is sufficient to achieve the program's stated mission and goals and includes a variety of clinical settings, client/patient populations, and age groups.
- Program mission and goals are met
- Long-term stability and quality programming

Enrollment did not increase by 50% or more in the last year.

Do you offer an undergraduate program in the field of Communication Sciences and Disorders?

Please provide any additional clarifying information regarding the program’s compliance with Standard 5.2.

Students complete a preliminary exam mid-year during year two of the program. This exam uses a standardized patient to assess student integration of knowledge in practice. A sub-committee consisting of academic and clinical faculty evaluate student performance. The student is debriefed by the evaluators and the patient immediately after the exam. The student then reviews the recording of their exam and writes a self-reflection. Areas of weakness are addressed using a structured remediation plan. Students complete a comprehensive exam during year three that consists of a case-based oral presentation. A sub-committee consisting of academic and clinical faculty evaluate student performance. Students complete a clinical research project during the first two years of the program that is assessed via a written paper and oral defense, evaluated by their committee.
Standard 5.3 Ongoing Program Assessment

If there were areas of non-compliance, partial compliance or follow-up regarding Program Assessment noted in the CAA Accreditation Action Report last year describe the steps taken by the program to address the concern and how the program is now in compliance with this standard.

Provide an explanation and a plan that will be used for improvement if the program's 3-year average for completion rate does not meet or exceed the CAA's established (80%) threshold. Include a timeline for implementing and assessing these steps. In your explanation, provide details on how the program has addressed the following areas in regards to their impact on program completion rates:

- The number, composition, and qualifications of faculty sufficient to meet the mission of the program (Std. 2.1, 2.3)
- Academic and clinical courses offered sufficiently enough for students to graduate on time (Std. 3.1)
- Academic and clinical advising offered along with remediation (Stds. 4.2, 4.3, 4.6, 4.9)
- Appropriate admissions policies (Std. 4.1)
- Classes that are more likely to be causing students to drop out or take longer to complete the program (3.0)

3-year average completion rate was above 80%
