DEPARTMENT OF COMMUNICATIVE
DISORDERS AND DEAF EDUCATION

The Family Education Right and Privacy Act (FERPA) of 1974 prohibits USU from releasing certain personally identifying information from a student's record to a third party without the student's explicit written consent. This form serves as written consent when properly completed.

I _____, _____
Student name spelled out A number

I give consent to the Department of Communicative Disorders and Deaf Education professors and advisors to release information from my transcripts for the purpose of composing letters of recommendation, employment letters, scholarship and fellowship information, and honor society and other award nominations. Specifically I consent to allowing my professors and advisors to use my GPA, grades in their courses, and class standings in these types of correspondence.

I certify that this request was signed voluntarily and I understand that it will be in effect until revoked in writing.

_____ _____
Student signature Date

I give consent to the professors, supervisors, teaching assistants, and course graders in Communicative Disorders and Deaf Education to return homework, exams, clinic reports and materials and other correspondence in my hanging file. The purpose of this release is to allow me to receive feedback on my work in a timely manner and in a manner which does not take up valuable class time.
